Motion was made by Mrs. Welch to approve the minutes of the January 16, 2020, meeting. Mrs. Kelsey seconded the motion, which passed unanimously.

There was no Old Business.

In New Business, Mrs. McElroy provided Board members with a summary of legislation staff is currently following.

Mr. Logan presented the financial report for fiscal year 2020 through February 29, 2020. We have received just under \$4.6 million in assessments, which 100% of the total assessment. Expenditures to-date are just over \$3.0 million. We have paid just over \$1 million in claim payments. Looking at the Budget Comparison Report, everything is in line with where it should be at this point in the fiscal year.

Mr. Wilson presented a brief investment report through February 2020. The portfolio has a book value right around \$12.7 million, which is a slight gain on sale. Through February, we've earned 1.5%, which extrapolates out to 2.25% for the fiscal year. It will be tough to maintain

that level for the next 12-14 months. Mr. Wilson also anticipates rates will stay low longer than we hoped.

In Mr. Milner's absence, Mrs. McElroy provided members a report of his Loss Control activities since the last Board meeting.

Mrs. McElroy presented one (1) attorney for inclusion in the approved Attorney Register: Brandon I. Dorsey of Brandon I. Dorsey, PLLC. Mr. Dorsey meets the eligibility requirements of the Board and staff recommends approval. Mrs. Lipscomb moved to approve and Mrs. Welch seconded. The motion passed unanimously.

There was no Claims Report. Mr. Donaldson did note for the Board that our claim count is almost exactly what it was this same time last year, at around 640 claims.

There being no further business to come before the Board, the meeting was adjourned.

The Chairman called the meeting to order.

Motion was made by Mrs. Kelsey to approve the minutes of the November 14, 2019, meeting. Treasurer McRae seconded the motion, which passed unanimously.

There was no Old Business.

There was no New Business.

Mr. Logan presented the financial report for fiscal year 2020 through December 31, 2019. We have received just under \$3.5 million in assessments, which is approximately 75% of the total assessment. Expenditures to-date are \$2.6 million. Total funds include \$4.7 million in the Treasury, \$12.6 million in investments, and \$225,000 in the TPA Trustmark account for a total of \$17.5 million. Reserves are \$6.5 million, leaving unencumbered funds at \$10.9 million. We

have paid \$974,000 in claim payments and \$265,000 in legal expenses. For the fiscal year, we have created 487 claims, paid 274 claims, and currently have 532 open claims. Looking at the Budget Comparison Report, everything is in line with where it should be at this point in the fiscal year.

Mr. Wilson presented a brief investment report through December 2019. The portfolio has a book value of just over \$12.66 million, with a market value of \$12.63 million. For the calendar year, the internal rate of return is just under 2.2%, which is right on top of the performance numbers we had for the fiscal year. The book yield is just over 2.0% and the weighted average life is under 2 years. The year to date cash earnings for the calendar year are currently just over \$270,000 which is also right on top of the performance numbers for the fiscal year. Looking at the Investment Performance Comparison, the portfolio performed poorly compared to the custom index. This underperformance is because the portfolio is structured for rising rates. Looking at maturity distribution, Trinity is pushing bonds out to the 3-year area, and all 3-year bonds (and one third of the 0-2 year bonds) are floating rate entries in anticipation of rising rates.

Mr. Milner provided members a report of his Loss Control activities since the last Board meeting, noting his work with the MS Department of Corrections for floor monitor training, continuing new State Trooper ride-alongs, and on-site risk management services for the upcoming Dixie National Rodeo.

Mrs. McElroy presented one (1) attorney for inclusion in the approved Attorney Register: Jason R. Bush of The Law Office of Jason Bush, PLLC. Mr. Bush meets the eligibility requirements of the Board and staff recommends approval. Commissioner Chaney moved to approve and Mrs. Welch seconded. The motion passed unanimously.

Mrs. McElroy presented a list of 15 political subdivisions with the recommendation that all be approved for renewal of Certificates of Coverage. Mrs. Kelsey made a motion to approve the list and Treasurer McRae seconded the motion, which passed by unanimous vote.

There was no Claims Report.

There being no further business to come before the Board, the meeting was adjourned.

Dear Ms. McElroy:

Please accept this correspondence as my respectful attempt to request the inclusion of my firm and my name on the list of attorneys who are willing to provide legal defense for government entities in litigated cases. I am a 1999 graduate of Mississippi College School Of Law and a member of the Mississippi Bar.

My law firm is located in the heart of downtown Jackson on Pearl Street. My firm's primary focus is in the areas of insurance defense, entertainment law, personal injury, commercial litigation, corporate law, state and government law and juvenile justice. As an entertainment lawyer and litigator, I regularly negotiate contracts on behalf of entertainment artists in connection with such artists' appearances on The Stellar Awards, McDonald's Gospel Fest, The Essence Festival and other various concert events. I also regularly negotiate contracts with such entities as Walt Disney World, Universal Studios, EMI Gospel, TV One, The Word Network and Tyler Perry Studios. I serve as public defender with the Hinds County Youth Court. I also serve as City Attorney for Belzoni, Mississippi.

I have successfully negotiated the "re - zoning" of a certain "multi - million dollar parcel of commercial property and the subsequent third party contracts that were encompassed with the subject property. In addition, I have successfully negotiated oil and gas contracts and numerous settlements on behalf of my personal injury clients. In addition, in my capacity as attorney for the town of Belzoni, Mississippi, I successfully negotiated agreements between the Board Of Alderman For The City Of Belzoni and the Humphreys County Board Of Supervisors resolving a bitter dispute regarding interlocal services.

I recognize the need for governmental entities to have representation from qualified individuals with diverse backgrounds and experiences. Therefore, I welcome the opportunity to continue to serve our state in such capacity.

Enclosed herein, please find a copy of my resume for your review. In addition, also enclosed please find the certain "Certificate Of Good Standing" that was issued by the Clerk Of The Supreme Court Of Mississippi.
